Work Experience

Serenity Uganda, center of innovation and professional development

By the end of the internship programme, I was able to:

- Improve my teamwork and customer relations skills after working with their marketing team.
- Enhance my data management and web application development skills. I worked with their development team on developing an EMS system for vision group.

Intern at Stratcom communications and computer solutions limited

By the end of the Internship Programme, I was able to:

- Demonstrate and practice good working ethics.
- Network and install virtual machines on their lab computers.
- Develop large databases and manipulation.
- Demonstrate good planning, good management and quality delivery of projects undertaken.
- Repair of the company's faulty computers
- Improve my skills in remote access.
- Communicate effectively with fellow workers and supervisors on the issues related to activities undertaken.

Vice president CHEC Committee CECE Gayaza Community with support of Child Fund Uganda 2014-2017

As a member of the CHEC committee at the project, I was appointed to the following roles.

- Management and organization of quarterly meetings.
- Management and organization of child days.

- Demonstrate respect and team work among committee members.
- Collect and document relevant data and file them in the CHEC file.
- Conduct home visits to a child and guardians to see their wellbeing

Computer lab assistant at Cambridge College of St Mbaaga 2012-2014.

- Worked both independently and with the senior lab attendant
- Managed to work under pressure
- Was able to complete the task in a timely manner

Other Experience

- Head of the debating club of Gayaza Cambridge College 2011-2012.
- Leader of the youths in Gayaza at CECE project.

Hobbies

- Sports
- Novels
- Traveling
